We help your clients getting the most out of their Spanish course

Babylon Idiomas is about:

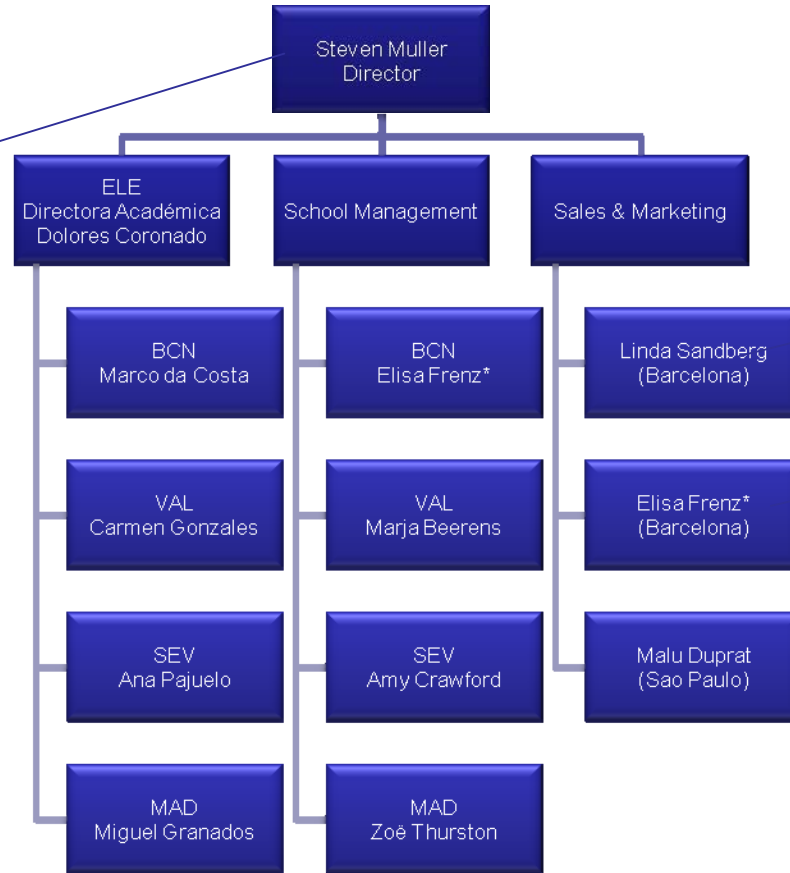

- The best Spanish language education for our clients
- The best work environment for our staff
- The best business practice for our partners

We believe

- that learning a new language is one of the best **investments** someone can make in his or her life
- that our **staff** are our most important asset
- that our clients are entitled to:
 - Highly skilled, motivated and **inspiring** teachers
 - A **stimulating** school environment where all students are treated as individuals
 - **Friendly**, problem-solving and professional staff
- in **honesty** and fairness
- in challenging ourselves constantly to **improve** our standards
- in treating our clients, staff and partners with **respect** and courtesy
- in solving problems professionally and **efficiently**

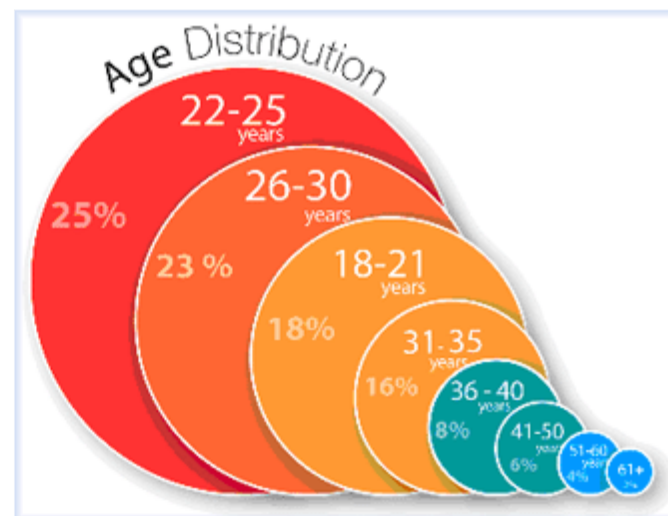

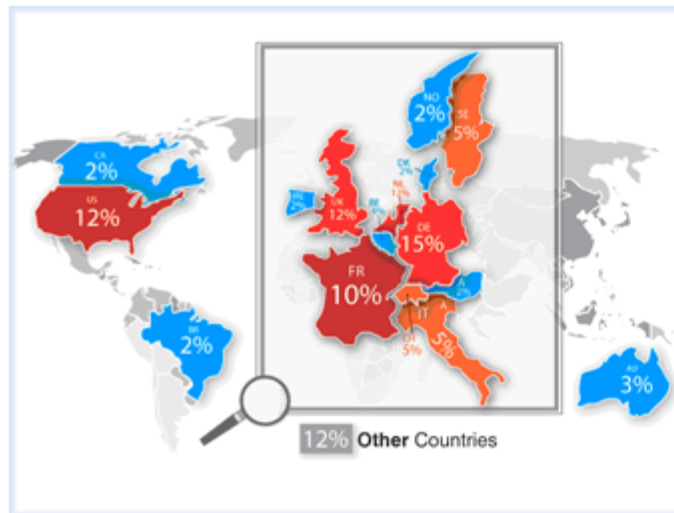

Meet the team 😊

Our students are adults from a wide variety of countries

- Our students mainly come from Western Europe and North America (Brazil < 2%)
- Almost all students have a college or higher degree.
- Approximately 60% of our students are female.
- The minimum age to attend any Babylon Idiomas school is 18 years
- The average age at our schools is 28 years
- In Summer the average tends to be lower because of college holidays.
- Please note that the mix of students can change by school and by week.

Our language programs cater for every level, objective and time frame
