

Boston

The capital of Massachusetts, USA

Boston, the academic capital of the USA, is much more than a just student city. Boston is in the New England region of the country, where each season offers visitors a distinct and unique experience. In a city which is both culturally and historically rich, you will never run out of things to do and see, and will have never-ending opportunities to use English.

Boston offers a beautiful mix of the modern and historical. Situated on the northeastern seaboard of the USA, this port city relies heavily on the ocean for food and tourism.

Boston is well known as the academic capital of the USA because it has more than 100 colleges, including the world famous Harvard University and Massachusetts Institute of Technology, MIT.

The Freedom Trail is the quintessential way to see the historic side of Boston. Whether with a guide or by yourself, this 2.5 mile walk is a must-do.
