

Boston

Boston, the academic capital of the USA, is much more than a just student city. Boston is in the New England region of the country, where each season offers visitors a distinct and unique experience. In a city which is both culturally and historically rich, you will never run out of things to do and see, and will have never-ending opportunities to use English.

Boston offers a beautiful mix of the modern and historical. Situated on the northeastern seaboard of the USA, this port city relies heavily on the ocean for food and tourism.

Boston has a great public transit system with multiple stations steps away from our school.

The Freedom Trail is the quintessential way to see the historic side of Boston. Whether with a guide or by yourself, this 2.5 mile walk is a must-do.
