The Click! Upgrade for Berkhamsted School is designed to be taken in conjunction with the regular Summer School English programme.

This option must be booked by 31 May 2017.

In today's world everyone has a camera in their pocket, but how well do we actually know how to use our phones to take excellent pictures? In this 2-week photography course you will learn new camera skills and techniques. You will have the opportunity to test these out and present your work in a Photography Showcase at the end of the two weeks.

Two week Click! Package £70. Only two week courses are available commencing 9 Jul, 23 Jul or 06 Aug 2017.

Day 1 - Introduction

- What makes a good photograph?
- How to use your phone camera to full effect

Day 4 – Photography project

- Taking photographs
- Preparing for the presentation at the photography showcase

Upgrade packages are an additional supplement and must be taken in conjunction with a Summer School English course.

Each two week course offers 4 sessions of 2.5 hours, plus the grand end of course Photography Showcase.

Day 2 - Camera Technique

- Composition
- Lighting
- Why you should use particular shots

Final evening – Photography Showcase

- Students show their work to the rest of the group, giving a presentation about their photos and the skills they learned on the course.

Students will need to use their own Smart Phone for taking photographs. LAL cannot be held responsible for any damage, but our tutor encourages students to take the utmost care with their belongings.

Day 3 - Photo Effects

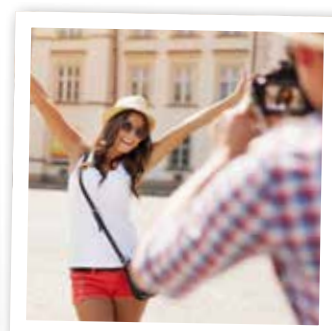

- How do the effects change the photograph?
- What is the effect of shooting in black and white rather than colour?
