

# Brighton

Brighton is a vibrant and fun city located on the UK's south coast. It has become known as "London by the sea" because of its excellent transport links to the capital. Brighton is well known for its relaxed atmosphere and alternative lifestyles with a prolific music scene and small independent shops.

Brighton is home to the Royal Pavilion. It has become one of the most instantly identifiable architectural images in the world.

The Lanes are a maze of narrow winding streets which host many small shops and cafes. This area is over 400 years old and some of the building exteriors date back to when the area was a fisherman's village.

Brighton Pier is widely considered to be the finest pier ever built in the country with its attractive dome and ironwork arches. The pier opened in 1899 after ten years of construction at a record cost of £27,000 to build!

Brighton is known for being a vibrant, colourful and creative city and celebrates its arts and cultures year round with music, dance, theatre, comedy and film events.

Brighton's famous pebble beach is a great place to soak up the cosmopolitan atmosphere that bustling Brighton has to offer. Take a relaxing walk along the beach and enjoy some world famous fish and chips (or even an ice cream!)

Famous residents of Brighton include Queen Victoria who lived briefly in the Pavilion before moving due to the increasing size of her family, actress Cate Blanchett, Oasis founder and songwriter Noel Gallagher and musician Nick Cave to name a few!
