

Academic upgrades

The academic team at LAL is pleased to offer extra English lessons beyond the standard 20 lessons/15 hours per week course.

- The extra-curricular classes can include either one-to-one or group lessons.
- All lessons are taught by lively, engaging and dynamic teachers and complement the general English course. All our teachers are professional and well-supported.
- Academic options will never be scheduled at the same time as included excursions or major on-site activities.
