# Levels

## Our levels and curriculum

Our curriculum is based on the levels of the Common European Framework of Reference for Languages. CEFR was put together by the Council of Europe and is used all over the world as the standard for grading individuals' language proficiency.

The CEFR descriptors indicate the proficiency that should be achieved at each level. The table on the right includes a summary, and includes comparable levels of other common standards.

Completing one level usually takes about 12-18 weeks but with effort, involvement and motivation this can be achieved in a shorter period of time.

# Two Centre Courses

Are you looking for an English learning holiday but can't decide where to go? With our two-centre package, you can study in two different locations and experience two distinctly different lifestyles and cultures.

## Divide your time between schools in England, Malta and the USA

Choose two centres from LAL Torbay, LAL London, IELS Malta, LAL Boston and LAL Fort Lauderdale, with a minimum of four weeks in each location and pay only 50% of the Registration, Accommodation Placement and Courier Fees for each school booked.

### Be smart: book longer and save money!

- Free standard airport return transfers to/from London Heathrow and to/from Malta International Airport for a course of a minimum of 16 weeks
- Free return flights\* between Malta and London Heathrow when combining a booking of at least 24 weeks in our schools in Malta and either London or Torbay, including a minimum of 8 weeks in each centre.
- Free standard airport transfer shuttle to/from Logan International Airport and to/from Fort Lauderdale International Airport for a course of a minimum of 8 weeks at each centre.
- Free return flights\* between Logan International Airport and Fort Lauderdale International Airport when combining with a booking of at least 24 weeks at our schools in Boston and Fort Lauderdale, including a minimum of 12 weeks at each centre.

\*Flight arrangements must be made by the school, at least 4 weeks in advance, at its discretion up to a maximum of €300/USD400 per return flight, including return, if needed. UK Airports other than LHR may require a supplement. US airports other than BOS and FLL may require a supplement.

# Charity Donations

LAL is proud to announce that it has started to work with WWEP, a UK-based charity, whose work is spread throughout the world, bringing educational resources to children who would not normally be able to access what many of us take for granted.

In order to support this very worthwhile charity, we are asking students and/or Language Travel Operators and Agents to donate GBP 1, EUR 1 or USD 1, depending on the school, per booking which LAL will match. The donation will be added at the time of booking.

In addition, we will also be raising funds locally in the schools and we will publish on our website all the news about our donations and other work to help these disadvantaged children.

The donation is totally voluntary and if you wish to not donate, please let us know at the time of booking so we can remove it from your invoice.

Currently this arrangement is for the adult and young learner schools in the UK, the USA and South Africa only.

For more details on WWEP, please visit their website: [www.wwep.org.uk](http://www.wwep.org.uk)

On behalf of LAL and WWEP, and most importantly, the children who will benefit, we thank you for your consideration and donations.
